The Ultimate Sales Machine by Chet Holmes Goodreads

Chet Holmes' The Ultimate Sales Machine was given to me as required reading for a new job. I dived into and quickly learned that it is different than most business books. This one lays out clearly what you will need to do in order to gain an edge in the working world. Even though the word "sales" is in the title, this could be your bible for any business role. I recommend this read for anyone who leads a team, is in marketing or is an entrepreneur.
